#### Career Objective:

A dynamic horticulture graduate from Anand Agricultural University, eager to leverage my comprehensive knowledge in horticultural sciences and post-harvest techniques to establish a successful entrepreneurial venture in the realm of post-harvest products. With a strong foundation in food processing and crop management, I aspire to contribute to the agricultural industry's growth and innovation while fostering sustainable agricultural practices.

#### Professional Knowledge/Skills:

- Excel in Microsoft Office (Word, Excel, PowerPoint) for data management.
- Demonstrate strong mathematical skills for effective analysis.
- Proficient in lab tools and post-harvest product expertise.

#### Personal Strength:

- Highly organized and detail-oriented
- Exceptional problem-solving skills.
- Effective communication abilities.
- Strong adaptability to change.

#### Hobbies:

- Fitness and Well-being
- Reading Business Literature
- Travelling
- Investing
