THE PROGRAMME ELUCIDATION (NAHEP-CAAST)

The National Agricultural Higher Education Project (NAHEP) is a new initiative of Indian Council of Agricultural Research, funded by World Bank and Government of India. The NAHEP is an ambitious step of ICAR to strengthen the National Agricultural Education system in the country by investing capacity building of students, faculties, infrastructural development and innovative technologies. The Navsari Agricultural University, Navsari was granted a Center for Advanced Agricultural Science & Technology, (CAAST) sub-component on “Establishment of Secondary Agriculture Unit for Skill Development in Students and Farmers” on competitive basis during 2018.

ABOUT THE RESOURCE PERSONS

Dr. Ryan Pereira doctorate in Biochemistry from The Ohio State University, USA. He then trained with Dr. Richard Cerione in the Department of Molecular Medicine at Cornell University as a postdoctoral fellow and as a research associate. Dr. Ryan taught various courses in Molecular Biology and Biotechnology at St. Xavier's College, Mumbai during 2009-2010 academic year before he joined the United States – India Educational Foundation (USIEF) as a Senior Education USA Adviser in February 2011. From May 2014 Dr. Ryan has been the Regional Officer at USIEF, Mumbai.
