THE PROGRAMME ELUCIDATION (NAHEP-CAAST)

The National Agricultural Higher Education Project (NAHEP) is a new initiative of Indian Council of Agricultural Research, funded by World Bank and Government of India. The NAHEP is an ambitious step of ICAR to strengthen the National Agricultural Education system in the country by investing capacity building of students, faculties, infrastructural development and innovative technologies. The Navsari Agricultural University, Navsari was granted a Center for Advanced Agricultural Science & Technology, (CAAST) sub-component on “Establishment of Secondary Agriculture Unit for Skill Development in Students and Farmers” on competitive basis during 2018.

ABOUT THE RESOURCE PERSONS

Dr. Ryan Pereira doctorate in Biochemistry from The Ohio State University, USA. He then trained with Dr. Richard Cerione in the Department of Molecular Medicine at Cornell University as a postdoctoral fellow and as a research associate. Dr. Ryan taught various courses in Molecular Biology and Biotechnology at St. Xavier’s College, Mumbai during 2009-2010 academic year before he joined the United States – India Educational Foundation (USIEF) as a Senior Education USA Adviser in February 2011. From May 2014 Dr. Ryan has been the Regional Officer at USIEF, Mumbai.

Ms. Dhanashree Deodhar masters in German Studies from Savitribai Phule Pune University, Pune. She earlier served as Administrative Officer at Volkswagen India before joining as Regional Officer at DAAD German Academic Exchange Service since 2009. She is an Information Officer for higher studies and research opportunities in Germany advises students and academicians on funding opportunities and assists in building ties between German and Indian institutions of higher education.

INTERACTIVE WORKSHOP HIGHLIGHTS

The Interactive session will broadly cover diverse topics.

1. Funding opportunities and admission overview of UG & PG students for Masters & Ph.D. degree in United States
